### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Howard Lee on March 23 & 30, 2011.

The application has been amended as follows:

#### **In the Specification:**

The specification has been amended to incorporate, prior to "Example 1" on page 10 of the specification, insert the title --- **Brief Description of the Drawings** --- and on the next line insert the sentence: --- Figure 1 depicts the lidocaine release from the dosage form of Example 4. ---.

#### **In the Claims:**

Claim 1 has been amended so that the "30%" in line 3 of the claim is replaced by --50%-- and in lines 7-9 the phrase: "and wherein the active ingredient-containing layer has a concentration gradient from about 50% by weight to about 60% by weight of lidocaine;" is deleted.

2. The following is an examiner's statement of reasons for allowance:

The instant invention is a monolayer crosslinked-polymer film containing 50-60% by weight lidocaine for nasal administration. The prior art (US Patent 6,432,986 to Levin) teaches that migraine headaches could be treated by sustained release of lidocaine intranasally, and the closest prior art (Rupprecht et al., US PreGrant Publication 2002/0142036) teaches a multilayer film for sustained release administration of lidocaine to buccal mucosal membranes. Rupprecht et al. fails to teach or suggest, alone or in combination, intranasal administration, a monolayer film, or the high levels of lidocaine loading claimed in the instant application. As such, the rejection under 35 U.S.C. § 103(a) is withdrawn in light of applicant's arguments and amendments.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Claims 1-5 & 10-14 are allowed and renumbered as claims 1-10.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to CHRISTOPHER R. LEA whose telephone number is (571)270-5870. The examiner can normally be reached on Mon-Fri 7:30-3:30 ET.
